

Jason Keef-

I've been living out in Los Angeles for a year and a half. I have worked on two television shows "CSI:Miami" and "Eli Stone". I'm also working for Glendale Centre Theatre and I'm in my third production with the company, "Robin Hood" which is my first children's musical. Previous credits with the company include: "Joseph and the Amazing Technicolor Dreamcoat" and "Singin' in the Rain".

I definitely appreciate Seth Panitch as not only a teacher but as a mentor. He expects only the best work out of his students and will not settle for less. I took his Shakespeare class and learned so much about myself and what it took to become a dedicated actor. His class was extremely tough and in turn, made me work harder in my other classes. I learned to devote myself to everything that I do 100%. Working with Seth Panitch made me realize that with hard work and dedication you'll always see an end result and you'll never be disappointed.
